Subject Index

A

ACCOUNTING
See also Budgetary control; Costs; Credit and collection; Financial management; Income for hospital services; Rates
Accounting and financial management: AAR. (Clancy) Ap 16-50
Cobalt accounting. (SFH) N 1-21
Four-week accounting. (SFH) O 1-29
How one small hospital standardized its records. (Foster) Ja 1-45
New Jersey hospitals study cooperative data processing. (DN) Ap 1-40

ACCREDITATION
Accreditation problems. (Babcock) Ja 16-43; F 16-25; Mr 16-12; Ap 16-16; My 16-27; Je 16-16; Jl 16-29; Ag 16-12; S 16-31; O 16-33; N 16-25; D 16-25
Accreditation survey forms revised. F 16-61
Admitting dental patients. (SFH) D 1-28
AMA and American Nursing Home Association announce joint program for accreditation of nursing homes; AHA issues statement. (N) My 1-107
American Association of Homes for the Aging calls for multilateral accreditation program. (N) My 16-21
California's nursing home accreditation program. (Erickson) Jl 1-39
'Continent,' not 'separate islands' of care needed to meet (aged) health needs. (N) (Babcock) Je 16-158
JCAH accreditation of inpatient care institutions other than hospitals deferred. (N) Ja 1-19
National Council for the Accreditation of Nursing Homes names board of directors. (N) Je 16-20
Nursing home accreditation. (Ed) Jl 16-67
Pharmacy coverage. (SFH) D 1-30
Trends in accreditation. (Appel) F 16-58

ADMINISTRATION
See also Branch hospitals; Organization
AHA program to review business management. (N) Ap 16-203
Changing patterns in medical and hospital administration. (Hamilton) Je 1-31
Changing patterns of patient care. (Buerki) Jl 16-68
Designing a realistic administrative manual. (Jarvis) Ag 1-56
Hospital Shriners Para Ninos Lisiados, Mexico City: adventures in hospital administration. (Radin) Je 1-41
Hospitals and the pace of change. (Ferguson) O 16-60
Planning for change. (Berke) Ap 1-26
Setting objectives: a guide to efficient management. (Toomey) Ag 16-48
Smaller hospital—a challenge or a chore? (Price) Je 16-55
Southern California hospital group starts program to improve administration. (N) Ap 16-206
Traditions in hospital administration. (Harvey; Pratt) Mr 16-62

ADMINISTRATORS
Administrative residents learn about physicians' problems at county meetings. (Goldberg & Tell) Je 1-33
Administrator's personal liability. (L) D 1-117
Hospital administrator alumni reunions held. (DN) F 1-48
Hospital meeting—international style (International Hospital Federation): special report. Ag 1-17
Medical group practice manager and his job. (Starr) Ja 16-44
1963 hospital administrative residents. (N) Jl 1-93; Ag 1-126; Ag 16-120; S 1-95; O 1-108; N 1-118

ADMITTING AND DISCHARGE
Admitting dental patients. (SFH) D 1-28
Admitting suite for the first critical hospital hours. (Finsterle & Vail) N 1-44
Handling patients' assets. (SFH) Ap 1-14
How one small hospital standardized its records. (Foster) Ja 1-45
Podiatrists in hospitals. (SFH) D 1-28
Psychiatric admissions. (SFH) S 1-24
Scheduling surgery. (SFH) F 16-29
Serologic tests for syphilis: a profile of hospital practice. (Brown & Mahoney) N 1-65; (Ed) N 1-43

ADVERTISING
Statement on advertisements and exhibits: AHA. D 16-60
When is it ethical to advertise? (Cook) Ap 1-42

Aged and aging: See Geriatric care; Geriatric health programs; Nursing homes

ALCOHOLIC CARE
Planning for change. (Berke) Ap 1-26

AMBULANCE SERVICE
Ambulance association draws up code of safety. (N) N 16-137
Ambulance council helps hospitals improve patient care. (Richardi) Mr 16-61
North Carolina to study state's ambulance service. (N) Ap 16-207
Plan for a coordinated ambulance system. (Wells) Mr 16-58
State program (Maryland) established to train ambulance drivers. (N) O 1-105

AMERICAN COLLEGE OF HOSPITAL ADMINISTRATORS
More representative governing body goal of proposed ACHA bylaws revision. (N) F 16-122

AMERICAN HOSPITAL ASSOCIATION
AHA forms societies for hospital specialists. (N) Ap 1-83
AHA headquarters will house office on the International Classification of Diseases Adapted for Hospitals. (N) F 1-17
AHA New York office moves. (N) Jl 1-94
AHA offers to change 1964 meeting dates. (N) Ag 1-128
AHA program to review business management. (N) Ap 16-203
AHA registration standards. (SFH) S 1-23
AHA statement on civil defense shelter program. S 16-198
AHA's 1963 Distinguished Service Award to: Ray E. Brown. My 1-44
AMA and American Nursing Home Association announce joint program for accreditation of nursing homes; AHA issues statement. (N) My 1-107
Architects' membership. (SFH) N 1-34
Blue Cross presents plaque to AHA. (N) My 1-106
Check list for educational planning: institute schedule for 1964. N 16-73
Check list to evaluate an area-wide planning agency for hospitals and related health facilities. O 16-78
Directory of officers, councils and committees for 1964. N 1-23
Edwin L. Crosby, M.D.: man with a mission. (Cunningham) Ag 1-45
Guide to the role of hospital membership associations in area-wide planning for hospitals and related health facilities. F 16-68
Guide to the use of the insigne of the AHA. O 16-78
Guidelines for the use of volunteers in departments of social work in hospitals. Mr 1-95
Healthguard program: statement. (Ed) O 1-31
Hospitals, AHA, and the 87th Congress. (Ed) Ja 1-29; (O&I) (Hochderffer) F 16-32
Job description for the director of hospital volunteers. D 1-60
New attack on mental illness. (Ed) Ap 1-25
1963 annual meeting in review. S 16-93
'Nisi dominus frustra'—AHA's motto. (SFH) Mr 16-31; S 1-44
Obtaining association seal. (SFH) Mr 1-30
Officers. S 16-111
Proposed amendments to bylaws. Ag 16-58
Purchasing agents society. (SFH) N 1-34
Registration and approval programs: amendments to the Association regulations. Ag 1-58
Registration and approval programs—hospital architects. O 16-148
Role of volunteers in hospital's disaster plan. O 1-52
San Francisco selected for AHA western office. (N) Ag 16-122; AHA opens western office. (N) N 1-118
Selected list of Board-approved policy statements of planning and financing. N 1-121
65th annual meeting program. Jl 16-83
Soviet hospital officials visit AHA. (N) Jl 1-89
Specification check list for purchase of new equipment. Ag 1-67
Staff appointments: J. H. Bigger Jr., J. A. Witt. F 1-108; G. E. Schunior. Ap 16-210; M. Converse. Je 1-87; J. R. Neely. Ag 1-128
Staff resignations: L. J. Zimet. Ja 16-129; J. W. Owen. Ja 16-131; R. S. Borczon. F 16-128; W. S. Schmidt. Mr 1-144; C. E. Dean. Ap 16-196; J. R. Kinsey. Ap 16-210; J. H. McNinch. Je 1-17; R. L. Johnson. Jl 16-188; R. M. Jones. Ag 1-125; H. Sibley. D 16-125
Statement on advertisements and exhibits. D 16-60
Statement on hospital schools of nursing. Ag 16-51
Statement on monetary charges to students in hospital schools of nursing. N 1-70
Statement on objectives, aims, and responsibilities of Committee on Hospital-Blue Cross Relations. O 16-147
Statement on relationship of an area-wide planning agency for hospitals and related health facilities with a community health and welfare council. N 16-78
Statement on selection of a hospital consultant. S 1-52
Statement . . . on the Health Professions Educational Assistance Act of 1963. (Nelson) Ap 1-48
Statement on use of the International Classification of Diseases for Hospital Indexing: AHA and American Association of Medical Record Librarians. My 1-58; (Ed) My 1-35
Statement . . . with respect to hospital schools of nursing. N 1-70
Trust receives grant for French translation project. (N) Ag 1-124
Use of animals in medical research. D 16-60

ANESTHESIA DEPARTMENT
Anesthesia charges. (SFH) Ag 16-23
Anesthesiologist agreements. (SFH) Je 1-25
Halothane stored too long may be toxic. (DN) D 1-73
Relationship between halothane and liver necrosis under study. (DN) O 16-125
Selected hospitals to study anesthetics. (DN) S 16-136

ANNIVERSARIES AND SPECIAL OCCASIONS
Year for milestones: originality and careful planning mark 1963 hospital anniversaries. D 1-37

Annuities: See Personnel

Area-wide planning: See Planning, Area-wide

ART IN THE HOSPITAL
Viewpoints on children in hospitals: the children. My 16-43; (Ed) My 16-3

AUTOMATION
Atomedic Hospital features automation. (N) D 1-121
Automatic drug dispensing. (Hosford) Ja 16-96
Data processing speeds tallying of selective menus at Rockford (Ill.) hospital. (DN) Je 16-138
How machine processing can help in the supply function. (Fleming) S 1-70
New Jersey hospitals study cooperative data processing. (DN) Ap 1-40
Pharmacist looks at drug dispensing machines. (Kenna) F 1-58
Predicting requirements for maternity facilities. (Thompson & others) F 16-45
Problems of electronic patient monitoring. (Farrier) Ap 1-50
Reconciling automation and humanism in the hospital of the future. (Wheeler) N 1-51

AUXILIARIES
See also Volunteers
Auxiliaries and volunteer services: AAR. (Snyder) Ap 16-55
Auxiliary pins and awards. (SFH) Ja 1-16
Insurance for auxiliaries. (SFH) N 1-21
Remodeling project creates guest house. (O&I) Mr 1-34

AWARDS AND RECOGNITIONS
AHA's 1963 Distinguished Service Award to: Ray E. Brown. My 1-44
American Dental Association awards honorary membership to Edwin L. Crosby, M.D. (N) D 1-119
Auxiliary pins and awards. (SFH) Ja 1-16
Baylor University Medical Center receives Silver Anvil (public relations) Award. (N) Jl 1-85
Blue Cross presents plaque to AHA. (N) My 1-106
57 years as a hospital volunteer: Mrs. Joseph Sahlmark, Ludington, Mich. (DN) Jl 16-75
Honoring trustees. (SFH) Ap 16-30
Hospital exhibit wins culinary prize. (DN) Ja 1-69
J. Gilbert Turner, M.D., to receive 1963 George Findlay Stephens memorial award. (N) Ap 1-17
Jack C. Haldeman, M.D., awarded the Distinguished Service Medal of the U.S. Public Health Service Commissioned Corps. (N) My 16-124
Monthly recipe contest for 'Chef of the Month'. (O&I) S 1-26
1963 Justin Ford Kimball Award: to William S. McNary. Ap 1-31
Plan for patient area in lab wins $1000 prize. (O&I) Ag 16-28
Transferring (volunteer) awards. (SFH) Ag 1-30
VA hospital in New York wins hospital safety contest. (N) My 1-17
Walter Reed Army Medical Center receives Order of Military Merit from the Brazilian government. (N) N 16-132

B

BIOGRAPHY
Crosby, Edwin L., Ag 1-45
McKittrick, Leland S., Ja 1-36

BLOOD AND PLASMA BANKS
Blood should not be 'bought or sold,' final witness testifies at Federal Trade Commission hearing. (N) O 16-140
Court grants order for administration of blood. (N) O 16-143
Defense witnesses testify at Kansas City blood bank hearing. (N) Ag 16-112
Five-year-old blood successfully transfused. (DN) S 1-60
Hospital association director denies monopoly of blood services in Kansas City area. (N) S 1-17

BLUE CROSS
See also Health insurance
Albany (N.Y.) Blue Cross to use new payment formula. (N) O 1-106
Blue Cross—a means between two ends. (Johnson) Jl 16-81; (O&I) O 16-47
Blue Cross and Blue Shield communications center opens in Chicago. (N) Ag 16-20
Blue Cross and Blue Shield rates unchanged for federal employees health benefits plan. (N) S 16-194
Blue Cross and hospitals. (SFH) F 16-26
Blue Cross held legally right in denying participation to Detroit area hospital. (N) Jl 16-186
Blue Cross is one of the participants in Colorado's visiting nurse services program. (Kelley) Ag 1-53
Blue Cross membership tops 60 million mark in 1962. (N) Ag 16-122
Blue Cross Plan wins right to deny membership to hospital: special report. O 1-17
Blue Cross presents plaque to AHA. (N) My 1-106
Blue Cross president says emphasis on research and planning to continue. (N) My 1-106
Chicago Blue Cross Plan alters rates for nongroup subscribers. (N) O 16-24
How Massachusetts hospitals 'found' $2.5 million. (Quigley & Heislein) Ja 16-48; correction. F 1-23
Michigan Blue Cross expands home care pilot program. (N) Je 16-164
Michigan Blue Cross rate increase hinges on acceptance of six directives. (N) Ap 16-23; accepts 23.4 per cent increase. My 1-108

New Jersey Blue Cross contracts with 64 nursing homes. (N) S 1-93
New Jersey Blue Cross study shows maternity costs down. (N) Ja 16-21
New Jersey plan requires check on need for hospitalization. (N) Ag 1-124
1963 Justin Ford Kimball Award: to William S. McNary. Ap 1-31
Northeast Ohio Blue Cross Plan asks rate increase. (N) Ja 1-19; to study philosophy and operations. (N) Jl 1-95
Philadelphia Blue Cross expands plan's benefits. (N) O 1-107
Prepayment and reimbursement: AAR. (German) Ap 16-159
Rising hospital costs major factor cited by Blue Cross Plans seeking rate increases. (N) Ap 1-84
Statement on objectives, aims, and responsibilities of Committee on Hospital-Blue Cross Relations. O 16-147
Study of claims padding under way in New York. (N) S 1-17
Visiting nurses contract with New Jersey Blue Cross Plan. (N) O 1-106
Wisconsin Blue Cross ends prescription drug program. (N) S 1-94

BLUE SHIELD
See also Health insurance
Facts and figures show Blue Shield growth. (N) S 16-192
Michigan Blue Shield gets rate increase. (N) My 16-134; accepts decision of court. Je 16-158; asks court for hearing on new contract. S 16-24
Study of New York City Blue Shield plan produces eight steps to revitalize program. (N) N 1-115

BRANCH HOSPITALS
Appalachian Regional Hospitals, Inc., assumes control of miners hospitals; Dr. Klicka named executive director. (N) O 16-24
Hospitals branch-out: a study of multiple-unit operations. (Hallen) Ag 1-38; Ag 16-54
Massachusetts General Hospital administers airport medical station. (N) F 16-21
Minneapolis satellite will serve three suburbs. (Platou & Wegmiller) Ag 1-43
Presbyterian Church negotiating purchase of United Mine Workers hospitals. (N) My 16-21; Mine Workers' hospitals transferred. (WR) O 1-102
Satellite hospitals to rise along Houston's freeways. Ag 1-40

BRAZILIAN HOSPITALS AND HEALTH
Hospitals in Brasilia: modern facilities in a planned city. (Newkirk) O 16-69

BUDGETARY CONTROL
Budgetary reporting and management action. (Hahn) Mr 16-46
Effecting organizational change through a formal budget. (Johnson) O 1-32

C

CANADIAN HOSPITALS AND HEALTH
Canadian dilemma: hospital finances and hospital autonomy. My 1-50
Grenfell Mission: a pioneer hospital system for rugged Labrador. N 1-55

CAREERS
Career fair features 28 hospital vocations. (O&I) O 1-14
Careers in hospitals. (Ed) Ap 1-25
Health careers recruitment. (O&I) My 16-36
Health careers session draws 800 students to annual meeting of Quebec hospitals. (N) My 16-128
Teen-aged 'health care teams' learn about hospital careers in three Ontario hospitals. (DN) My 16-56

CHAPELS AND CHAPLAINS
Chaplaincy program in action. (Otto) Ja 1-42
Developing a successful chaplaincy program. (Callahan) Ja 1-41
Hospital helps train seminary students. (DN) Ja 1-44
Religious services for patients on television. (O&I) My 1-30

Children's care: See Formula rooms; Nurseries; Pediatric care

CHRONIC ILLNESS CARE
See also Geriatric care; Geriatric health programs; Home care; Nursing homes; Rehabilitation
Affiliation provides a broad range of services for two hospitals. (Lucchesi & Kaplan) N 16-59
Care of the chronically ill and aged: AAR. (Morrison) Ap 16-58
Chronic disease unit in a general hospital. (Littauer & others) Jl 1-42
Creating a positive climate for long-term care. (Entman) D 16-54
Gearing for long-term care. (Dann & Swanson) My 16-58
Long-term care facilities. (special issue) Mr 1
Move long-term care closer to short-term hospitals, Tri-State administrators told. (N) Je 1-86
Nursing home administrators join hospital personnel in discussions of long-term care. (N) Je 1-92
Two medical staff committees, one direction: toward more efficient use of hospital care. (Sr. Gregory) Ag 16-60

CIVIL DEFENSE
See also Disaster service
AHA statement on civil defense shelter program. S 16-198
Fallout monitoring stations need hospitals' cooperation. (N) N 1-119
Fallout shelter limitations: proprietary hospitals. (SFH) Mr 1-27
Hospitals in a nuclear attack. F 1-45; (Ed) F 1-23
Narcotics handling during a civil defense emergency. Ag 16-78

Communications: See Human relations

COMMUNICATION SYSTEMS
Physicians' phones linked to hospital. (O&I) Je 16-44
State-wide radio network planned by N.J. hospitals. (N) Ja 16-134
X-ray reports by teletype. (Reese) Je 16-74

COMMUNITY AND THE HOSPITAL
Hospitals and the businessman. (Klicka) Ja 16-51
'V-Day' in Waterville: polio immunization program. (Sr. Irene) Ap 1-45

Community hospitals: See Small community hospitals

Consents: See Liability

CONSTRUCTION
See also Planning
Architect speaks up on hospital construction costs. (Olson) Je 1-52
Construction planned and completed. Ja 16-135; Ag 1-122; Ag 16-112; S 1-92; O 1-107; O 16-144
Construction reports hasten payment of building fund pledges. (Larson) F 1-39
Estimating space needs and costs in general hospital construction. (Corbin) S 1-49
How to write contract specifications. (Hough) N 1-103
Illinois bill would tighten controls on new hospitals. (N) Ap 16-206
Long-term care facilities: meeting building code requirements. (Halstead) Mr 1-58

CONSULTANTS
Dietary consultant helps Iowa hospitals plan practical and pleasing menus. (DN) Ap 1-65
How a group of smaller hospitals provides a full range of medical specialty services. (Erickson) Je 16-68
Menu evaluation offered to California institutions by nutrition consultant. (DN) My 16-100
North Carolina hospitals profit by dietary consultation and in-service training. (DN) Ap 16-186
Selection of a hospital consultant: AHA statement. S 1-52

Convalescent care: See Chronic illness care; Geriatric care; Geriatric health programs; Nursing homes; Rehabilitation

COSTS
Analyzing the cost of illegible handwriting. (Feldman) F 16-70
Architect speaks up on hospital construction costs. (Olson) Je 1-52
Cardiorespiratory laboratory in a nonuniversity hospital setting. (McLean) Ag 1-60
Cure for health care poverty is prevention: Atlantic meeting report. (N) Je 1-88
Estimating space needs and costs in general hospital construction. (Corbin) S 1-49
Georgia survey shows slowed cost rise. (N) O 16-143
Hospital costs dissected in inservice training. (O&I) My 1-30
Impact of wages on hospital costs. (Brown) Jl 1-24
Laundry production report: aid to cost analysis. (Reveley) F 1-94
New Jersey Blue Cross study shows maternity costs down. (N) Ja 16-21
Outlook for hospital costs: up, up, up. D 16-42
Patient care costs increase in Michigan. (N) N 16-136

COUNCILS
New Southern Arizona Hospital Council formed. (N) My 16-138

CREDIT AND COLLECTION
Collection techniques: a five-year comparison. (Tyndall) D 1-43
Mississippi seeks legislation to halt losses incurred from transient patients. (N) Ag 16-114
Patients are 'guests' through cash gifts. (O&I) Ja 16-36
Who gets the credit? (Gimbel) Jl 16-76
Writing collection letters that collect. (Johnson) O 16-76

D

DAY CARE
Day hospital keeps elderly in community. (DN) Jl 16-148
Day hospital (psychiatric) charges. (SFH) Ag 16-24

DECORATION
Long-term care facilities: special considerations in interior design. (Pepper) Mr 1-60
Long-term care facilities: translating objectives into interior design: a case study. (Schum) Mr 1-65
Psychiatric unit adopts hotel decor and decorum. Jl 1-34

DIETARY DEPARTMENT
Aids of self-feeding used in rehabilitation program of VA Research Hospital, Chicago. (DN) N 1-96
Applying the assembly line principle to hospital food service. (Davidson) Ja 1-62; Ja 16-78
Automation invades commercial bread production. (DN) Mr 1-115
Computer technology, teaching machines seen in future food service. (DN) Jl 16-124
Cooperation for 'upstairs' (therapeutic) and 'downstairs' (administrative) dietitians. (DN) O 1-84
Counting patient meals. (SFH) F 1-19
Data processing speeds tallying of selective menus at Rockford (Ill.) Hospital. (DN) Je 16-138
Dietary consultant helps Iowa hospitals plan practical and pleasing menus. (DN) Ap 1-65
Dietary department grows with hospital: new equipment, layout, and services. (DN) D 1-100
Dietitians ponder food and fasting, lifetime learning, nutrition of aging: American Dietetic Association convention report. D 16-103
Eggs again source of salmonellosis outbreak. (N) D 1-119
Eggs shed their shells for bottled eggs and 'no-peel' method for hard cooking. (DN) S 1-68
Favorite Arkansas recipes and menu variety please staff, students, long-term patients. (DN) Ja 16-86
Flexible food plans for disaster situations. (Bartholomew) My 1-80
Food delivered cold, served hot from nurses' stations. (Flynn) D 16-98
Food service advice furnished to 1600 institutions in New York state. (DN) My 1-88
Food service and dietetics: AAR. (Moore) Ap 16-75
Food service manuals, newsletters, articles help nursing homes on local level. (DN) Mr 1-112

For quality recipes, it pays to standardize. (Aldrich) Jl 16-116
Frozen entrees and central commissary idea capture interest of research group. (DN) Ag 1-75
Get it in writing: manuals in the dietary department. (Crooks & Wallfred) Ag 1-72
Gourmet gift meals served to patients. (O&I) N 16-47
Guide for selecting small equipment. (Tigner) Mr 1-98
Helping the disabled person to help himself to good nutrition. (Zickefoose & Frey) N 1-91
High degree of knowledge and skill needed for serving low-cost diets. (DN) S 16-126
Hospital exhibit wins culinary prize. (DN) Ja 1-69
Hospital-prepared meals for homebound aged persons. (Braley) Ag 16-82
Hospital takes the lead in an unusual education program: nutrition classes for outpatients. (Baumgartner) D 16-45
How hot is hot enough? (Thompson & Johnson) S 1-61
Increasing the appeal of the low-sodium diet. (Wojta) F 1-73
Menu evaluation offered to California institutions by nutrition consultant. (DN) My 16-100
Modified diet calls for a modified approach to the child patient. (Synar) D 1-86
Monthly recipe contest for 'Chef of the Month'. (O&I) S 1-26
Need for increasing labor productivity cited at food service research meeting. (DN) Ja 1-67
New medical dietetic program coordinates classroom and teaching experience. (Lewis & Lachner) My 16-94
New roasting methods improve meat quality and yield. (Pollak) Je 1-60; Je 16-124
New York State survey shows who performs 143 duties in hospital dietary departments. (DN) F 16-88
North Carolina hospitals profit by dietary consultation and in-service training. (DN) Ap 16-186
Nourishment cart dispenses three snacks a day. (Crowley) F 16-83
Nursing home food service: carrying out therapeutic diets. (Kaufman) N 16-102
Nursing home food service: controlling costs through menus and management. (Kelly) S 16-115
Part-time dietary help in a suburban hospital. (DN) Je 16-122
Planning or remodeling the hospital food service department: architect's viewpoint. (Blair) Mr 16-102; administrator's viewpoint. (Crews) Mr 16-104; dietitian's contribution. (Zahasky) Ap 1-60; engineer's viewpoint. (O'Neil) Ap 1-62
Planning the modified diet. (Low) Mr 16-110
Potato: an old favorite in new packages. (Balsley) Jl 1-69
Public Health Service finds cracked or unclean eggs linked with recent outbreak of salmonella derby. (N) Ag 1-122
Remedies for excessive turnover in the dietary department. (Mote & Gehring) O 1-68
Spirit of hospitality and wish to please pervades food service at Spokane hospital. (DN) N 16-110
Training for food service workers under Manpower Development and Training Act. (DN) O 16-102
Training for food supervisors in metropolitan hospitals. (Styer & others) O 16-96
12 Georgia hospitals report in dietary survey. (DN) My 1-89
What's new in foods for the institutional buyer. F 1-62

DISASTER SERVICE

See also Civil defense; Fire prevention and control

Atlantic City fire kills 25, injures 29. (N) D 1-18D
Buffalo (N.Y.) hospitals recover quickly from most severe flood in city's history. (N) O 1-105
